

To Verify an Order is Legitimate

Note to Our Suppliers:

Livent is aware that from time to time fraudulent orders are placed for goods and services by parties illegally using the names of large, reputable companies. Livent offers the following guidance to assist suppliers in verifying the authenticity of electronic orders that appear to be requested by Livent:

- Livent does not issue purchase orders. The purchase orders are issued by its affiliate companies.
- If your company receives an order from a party claiming to represent Livent and you do not recognize the name of the buyer or the shipping address on the purchase order, further investigation should be considered.

If you would like to confirm a Livent purchase order, please contact Procurement Supplier Assurance at supplier.communication@livent.com
